Dear Domestic and International Artemis Pet Food Distributors,

My name is Ken Park, President and Founder of Artemis Pet Food Company, Inc. First of all, I would like to thank you all for your years of support. I am sending this letter to all of the distributors of Artemis around the world, this document serves as a declaration that all the ingredients in our dog and cat foods are sourced from the United States of America and pertain to the utmost qualities and are made with human grade ingredients, produced in accordance with the FDA (Food and Drug Administration) Code of Federal regulations (CFR) Title 21. The CFR is a very in-depth document that defines how human food production should take place, and under what conditions. Again, I would like to thank you for distributing our products, and if you ever need anything feel free to contact our company, info@artemiscompany.com.

Sincerely,

Ken Park, President
